

## Senior Instrument/Uniform Drop-off

Dear Seniors,

We have really missed getting to see you everyday! One of the things that keeps me energized about teaching is the everyday interaction with great students. Seniors are always very special to me because I know that the time I have to share with you is coming to an end. I so wish we could have a do-over for Spring of 2020!

Now, back to business! **We HAVE to get you cleared for Graduation!!** These things must happen or you will be on THE PROBLEM CHILD LIST.

Let's keep you off of that list! I want you to be a part of the ONLY class in AHS History to graduate from AT&T Stadium!

**We need from you:** Instrument, Concert Blacks, any original music, any outstanding fees (Band Fees or Colt Cards)

Here is how we are going to do this: PLEASE READ INSTRUCTIONS CAREFULLY!

**Band Drop offs** will be in the drive between AHS and the Shell Station..right at the Band Hall Doors:

May 21-22, (Thurs, or Friday) between 9:00 am and noon:

**Step 1:** Uniforms (please be sure all parts are included)

Put your concert blacks into a small trash bag (white preferred), write you name on the bag, tie it shut, and drop it in the designated spot!

**Step 2:** Instruments (be sure instrument is clean, properly oiled and greased, and all parts included, and securely in case) Don't make me turn your name in because you forgot a mouthpiece!!

Drop off instrument on the curb in the designated location.

**Step 3:** If you have money to turn in, please drop it (in an envelope with your name on it and what the money is for) into the designated bin.

Directors will be there to mark you off as you turn in your stuff.

Please work with us to maintain social distancing, and as safe of an environment as possible.

If you have questions or problems, please contact me directly at: [mhejny@aisd.net](mailto:mhejny@aisd.net)

If you are not sure about exactly how much money you owe for fees, please email me!

**NOTE:** Percussion with Vibes or Marimbas, please drop off on Thursday if Possible. Pull past the drop off point (by dumpster) to unload. Make every effort not to block the line of cars pulling through.

**NOTE:** Seniors that have earned Honor Cords (That info coming soon), can pick those up after you have taken care of your drop-offs.

**Tips:** All Seniors will be dropping off stuff on these days and times, all around AHS.

I would highly suggest that you get there early, because Park Row is going to be a night-mare during this process!!

Miss you guys!

Mr. Hejny
